

## Registration form for child care

The Graduate Academy Leipzig offers its members childcare services for children up to three years of age.

The childminders are examined by the VKKJ (commissioned by the Youth Welfare Office) and have a care permit. They work with the provider FRÖBEL Bildung und Erziehung gGmbH. The childcare costs are based on the contribution rates of the city of Leipzig. The registration serves as a request for a childcare place of our childminders. This does not result in any entitlement to a childcare place.

Please send the completed registration to Stabsstelle Chancengleichheit, Diversität und Familie:
