

Plattform-Update:

Upcoming Live Classes in February

TwentyOne Skills

Dear reader,

discover this month's upcoming courses that are included in your account. We offer eight very diverse classes. We hope you'll join us for some of them.

Best regards, Robert
(Head of Learning, TwentyOne Skills)

Live classes: Schedule for February

02.02

Launching Your PhD Thesis: Building a Strong Foundation

Gain valuable tips on how to go from a blank document to starting the writing process, thesis organization, and goal setting.

05.02

From Academic to Entrepreneur

Engage in a lively discussion about the personal and professional transformation required, the challenges of adapting to a fast-paced business landscape, and the skills needed to thrive as an entrepreneur.

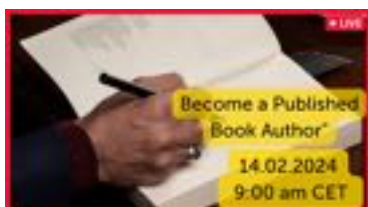

12.02

Scientific Presentations: How to Make Great Slides

Join us for insider tips on creating captivating visuals and compelling storytelling.

14.02

Become a Published Book Author

The focus will be on how to crystallize your ideas into a truly value-adding book, understand the publishing landscape, and grow your audience. Dr. Jungmann's practical experiences, including his third forthcoming book, provide relatable insights and actionable advice.

16.02

Career Questions: Advice from a Career Coach

In this live class, we'll look at your specific questions, at tools to help you plan a career in different options, and your next possible steps.

20.02

Lunch Time Live Session: How to network in your Poster Session

The poster session is one of the often-overlooked opportunities to make really good contacts at conferences.

27.02

Create better meetings

Unlock the secrets to effective meetings and discover the art of crafting meeting structures that enhance productivity and engagement.

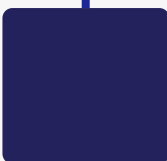

Learn how to streamline discussions, set clear objectives, and allocate time wisely.

27.02

Time Management with Kanban and other Tips

Discover the power of visualizing tasks, prioritizing work, and achieving a healthy work-life balance. Don't let time slip away and take control of your productivity!

NEW

Upcoming E-Learnings: Several Nuggets focused on career topics such as resume writing.
